

# SHIPPING CONTAINER CONVERSION

Adacon's Shipping Container Conversions turn durable containers into modern, comfortable spaces for living and working. Perfect for mobile offices, compact homes, studios, and pop-up workspaces.

## Versatile Designs

From cozy living spaces to fully equipped offices.

## Weatherproof Finish

Comfortable all year round in any climate.

## Eco-Friendly Options

Sustainable construction and energy-efficient solutions.

## Strong & Portable

Built from robust shipping containers for mobility and durability.

## Natural Light Access

Large windows and doors create a spacious, bright interior.

## Expandable Modules

Easily combine multiple units for larger configurations.

## Custom Fit-Outs

Tailored layouts, finishes, and features to match your needs.

## Fully Equipped

Plumbing, electrical, and HVAC systems ready to go.

## Stylish Interiors

Modern finishes, materials, and layouts tailored to your taste.
